

Commercial Juicer

96700

Optimal Rib Designed Reamers: Unit comes standard with 3 reinforced reamer sizes - a small one for juicing lemons and limes, a medium one for oranges, and a larger one for grapefruit. Each reamer has a stainless steel insert for long-term, heavy-duty use.

Efficiency: Electric-powered juicer allows restaurants, bars, juice clubs, and smoothie bars to quickly extract maximum juice from each piece of fruit with minimum effort.

Quiet Motor: With an exceptionally quiet motor, the 96700 is a welcome addition to any establishment.

Unique Crescent Footprint: Unique crescent-shaped footprint has space for any size juice container and takes up minimal counter space.

Low Center Of Gravity: The 96700 has a very low center of gravity, making it stable on a variety of surfaces.

Extra-Tall Open Spout: Juice spout is a full 8.5" from the counter to allow juicing into a variety of containers, from single serving glasses to large pitchers and storage containers. Open spout is easy to clean.

Durability: Metal housing with acid-resistant finish, extra-large stainless steel container, and durable strainer and reamers are built for heavy-duty performance.

[Express Care Service Program](#)

During the product warranty dial 1-866-285-1087 toll-free to speak to a member of our highly trained technical staff. If minimal on-site maintenance cannot be performed, we'll ship a replacement product to your location. Continental US, Alaska and Hawaii only. Limitations and exclusions apply. See Operations Manual for details.
